

Dr Tony Attwood

M.Sc, Ph.D., A.F.B.Ps, M.C.C.Ps

Don't miss one of the world's foremost specialists on autism in an informative and empowering one-day seminar in NZ!

Who should attend:

Teachers, Teacher Aides, SENCOs, Learning Support Co-ordinators, School Principals, RTLBs, SLTs, OTs, PTs, MOE and MOH Staff, Psychologists, Paediatricians, other Service Providers, and Families.

Course content:

The three main themes in this course are:

- What is autism?
- The learning profile associated with autism and how to adapt the school curriculum.
- Encouraging social engagement and emotion regulation.

This course will equip teachers and community workers to understand their autistic students to develop a positive working relationship with them and support them to achieve their best. Topics include: the autistic learning profile; managing executive functioning difficulties; how autism presents differently in girls; strategies to prevent and manage meltdowns and shutdowns; special interests and their uses; sensory issues and accommodations; strategies to encourage social engagement; and behaviour and emotion management.

Registration includes morning tea and light lunch.

Special medical dietary requests must be notified via email by Monday 19 February 2024. An additional plating fee may apply.

Dr Tony Attwood

With a remarkable career spanning five decades, Professor Tony Attwood is one of the world's foremost specialists on autism. Holding an Honour's degree in Psychology from the University of Hull, a Master's degree in clinical psychology from the

University of London, his credentials are a testament to his expertise. Currently serving as an adjunct Professor at Griffith University in Queensland, Professor Attwood's impact has enriched the global understanding of autism.

With a dedicated commitment to practical application, Tony has run a private practice for 30 years, is a prolific author of scientific papers and authored numerous best-selling books on autism.
